Title (Heading One)

Title2 (*Heading Two*) on several lines

This is normal text.

This is *italic* text.

This is **bold** text.

This is `inline code`.

This is a soft break.

This is a hard
line break.

This is a thematic break (which will force a page break).

This is [a link](#)

Below is a code block.

```
result.info = {  
  title: 'Smart Legal Contract',  
  author: 'Clause',  
  subject: 'subject of document',  
  keywords: 'keywords for document',  
};
```

End of the code.

Multiline quotes can be useful.

*No man is an island and,
Not all that glitters is gold.*

Let's insert a block of HTML.

```
<div>  
<p>  
This should  
render as a code block.  
</p>  
</div>
```

And `<inline>html</inline>`.

Smart Clause (Heading One)

And below is a **clause**.

Acceptance of Delivery.

"Barilla" will be deemed to have completed its delivery obligations if in "Acme"'s opinion, the "Pasta" satisfies the Acceptance Criteria, and "Acme" notifies "Barilla" in writing that it is accepting the "Pasta".

Inspection and Notice.

"Acme" will have 10 Business Days to inspect and evaluate the "Pasta" on the delivery date before notifying "Barilla" that it is either accepting or rejecting the "Pasta".

Acceptance Criteria.

The "Acceptance Criteria" are the specifications the "Pasta" must meet for the "Barilla" to comply with its requirements and obligations under this agreement, detailed in "Attachment X", attached to this agreement.

Image URL (Heading Two)

This is an image link using a http url.

This is an image link using an unreachable http url - to test "offline" mode.

Image Data URI (Heading Three)

This is an image link using a data uri.

Ordered List (Heading Four)

This is is an ordered list:

1. one

2. two

3. three

Unordered List (Heading Five)

This is an unordered list:

- apples
- pears
- peaches

Bold Italic (Heading Six)

This is ***bold italic*** text. More text.

Justified Long Text (Heading Six)
